

IRA/HSA Beneficiary Designation

Use this form to add or change a beneficiary or successor beneficiary ("beneficiary") for your Premiere Select Traditional, Roth, Rollover, SEP-IRA, Inherited IRA, Inherited Roth IRA, Fidelity SIMPLE IRA (collectively "IRA"), or your Fidelity Health Savings Account (HSA). This form is not applicable to Inherited IRAs and Inherited Roth IRAs for trusts, estates or minors. In accordance with the Premiere Select IRA and Roth IRA Custodial Agreements and Disclosure Statements and the Fidelity SIMPLE IRA Custodial Agreement and Disclosure Statement, if the Inherited IRA/Roth IRA owner is a minor, the beneficiary will be the minor's estate or as otherwise determined in accordance with the applicable state Uniform Gifts to Minors Act or Uniform Transfers to Minors Act.

Do NOT use this form for nonretirement accounts or Fidelity Retirement Plan (Keogh) accounts.

For information regarding complex/customized beneficiary designations, refer to Page 3 of this form. Type on screen or fill in using CAPITAL letters and black ink. If you need more room for information or signatures, use a copy of the relevant page and ensure that your account number, signature, and date are included.

Helpful to Know

- This form will replace any existing beneficiary information. Be sure this form includes ALL primary and contingent beneficiaries you want on the account(s).
- All accounts on this form must have the same account owner.
- You may want to review this document with a tax, financial, or legal advisor.
- If naming only one beneficiary in either category (i.e., primary or contingent), the share will automatically be 100%. If naming more than one beneficiary in a category, indicate an ownership share for each (in percent, not dollars). Make sure the percentages total 100% exactly. If no shares are indicated, equal percentages will be assigned any beneficiaries in that category who are alive at the time of your death (or, if you checked "per stirpes" below, to the survivors of those beneficiaries). Upon transfer of assets to multiple beneficiaries, all residual income paid to your account and any fractional shares that cannot be divided equally among the beneficiaries will be systematically allocated to the beneficiary receiving the largest share proportion of the assets. If the account is transferred evenly, or at different intervals, the income and/or fractional shares will be systematically allocated to the last beneficiary paid.
- All beneficiary names must be present on this form or an LOI or the customized beneficiary instructions. For example, "All of my children" is not acceptable as a designation.

3. Signatures and Dates *Form cannot be processed without signatures and dates.*

By signing this form, you:

- Hereby designate the party(ies) named above as primary beneficiary(ies) to receive payment of the value of your account specified above upon your death.
- Agree that the party(ies) named above as contingent beneficiary(ies) is designated to receive payment of the value of your account specified if there is no primary beneficiary living at the time of your death.
- Understand that if your account contains community property and you do not designate your spouse as your primary beneficiary for at least 50% of the value of your account, you may want to consult with your attorney or tax advisor to determine the impact of community property laws on your beneficiary designation.
- Acknowledge that if more than one party is named and no share percentages are indicated, payment shall be made to your primary beneficiary(ies) who survives you in equal shares. If a percentage is indicated and a primary beneficiary(ies) does not survive you, unless you have checked the Per Stirpes box above, the percentage of that beneficiary's(ies) designated shares shall be divided equally among the surviving primary beneficiary(ies).
- Acknowledge and agree that the beneficiary rules of succession and related terms in the applicable Custodial Agreement will apply to any transfers or distributions from the indicated accounts following your death.
- Acknowledge that, by electing "Per Stirpes," and that beneficiary does not survive the account owner, but leaves surviving descendants, any share otherwise payable to that beneficiary shall instead be paid to that beneficiary's surviving descendants by right of representation.
- Acknowledge that "Per Stirpes" creates a category of beneficiaries (for example, the children of a beneficiary), and therefore may end up including individuals not yet born or adopted.
- Acknowledge that listing beneficiaries by name does NOT create a category of beneficiaries and that if you later want to include other beneficiaries, you will need to file a new beneficiary form.
- Acknowledge and agree that Fidelity has no obligation to locate or notify any beneficiary or to independently verify any information submitted by any person claiming an interest in your account.
- Acknowledge that Fidelity reserves the right to not make any payments until at least 30 days after the original account owner's death.
- Acknowledge that if you do not properly name a beneficiary, or no beneficiary survives you, the account will be distributed or transferred, in accordance with the rules of succession in the applicable Custodial Agreement.
- Understand if you change your beneficiary designation at any time during the year, it is your responsibility to instruct Fidelity Brokerage Services LLC ("FBS"), in a Letter of Instruction, of the impact of any such changes to any previously requested Required Minimum Distribution ("RMD") calculations and that your RMD amount may increase or decrease. If you fail to do so, subsequent distributions in your payout plan may not satisfy your RMD requirements. (Consult with your tax advisor to determine how a beneficiary change may affect your RMD amount.)
- Agree that this designation becomes effective when received and accepted by FBS, agent for Fidelity Management Trust Company ("FMTC"), and Fidelity Personal Trust company ("FPTC"), custodians, and will remain in effect until FBS receives and accepts another designation with a later date.
- Affirm that the beneficiary information provided on this form replaces any prior information that may be on record for the indicated accounts.
- Acknowledge and agree that if you elect a custom beneficiary for your account you are responsible for calculating your RMD each year if the RMD calculation is based on joint life expectancy.
- Acknowledge and agree that FBS, FMTC, FPTC, and their affiliates their officers, directors, employees, agents, affiliates, shareholders, successors, assigns, and representatives have no responsibility for determining or monitoring any further use designated for any organization named as a beneficiary and no liability with respect to any future use.
- Indemnify and hold harmless FBS, FMTC, FPTC, their officers, directors, employees, agents, affiliates, shareholders, successors, assigns and representatives, from any liability in connection with any action or inaction taken in connection with any beneficiary designation instructions received on this form or separate custom designation you provide.
